Proves: Not held, so nothing yet. Reported: RCAHMW holds H. J. Thomas survey material, a 1974 survey and floor plan of a sub-medieval or late-seventeenth-century building, partly recorded due to an ownership dispute.

Does not prove: The full wording and extent of the survey, and whether Cadw saw it in 1988, are unknown. It does not supply the lost Johns–Buckler correspondence or establish Mary’s title.
