[About this page type → Read the Docs](#)

Proves: Not held, so nothing yet. Reported: catalogue description records GGAT issued a warning dated 1 October 1982 about archaeological sensitivity of the site; Document itself not held, so rests on catalogue entry.

Does not prove: Does not establish recipient, exact wording or any reply, nor whether the warning reached the Council, Welsh Office or Cadw before December 1988, or was considered in the 1988 decision.
