[About this page type](#) → [Read the Docs](#)

Proves: Not held, so nothing yet. Reported: identifies the 1984–87 litigation file as a decisive open target, described as central to any later argument of judgment obtained through fraud or material non-disclosure.

Does not prove: Does not show what parties pleaded on title, what was disclosed, whether 1938/1939 material was available, what BP knew, or what was before the Court of Appeal; Missing papers alone don't prove fraud or non-disclosure.
