About this page type → Read the Docs

Proves: William Buckler applied under Articles 6, 8, 13 and Article 1 Protocol 1; Application declared inadmissible 14 April 1989. Fair-trial complaint unsubstantiated, loss of home lawful and justified, no ‘possession’ as courts held property belonged to another.

Does not prove: Decision did not determine the British title chain. Unknown what title documents were before the Commission or whether the 1974 survey was considered. Unknown whether retained metadata shows what was destroyed and when; Outcome difference unconfirmed.

File stored in the wayback archive: [EV-0122](#) in the artifact index.
