[About this page type](#) → [Read the Docs](#)

Quotation: With regards to the above development, I have today received from Ideal Homes, a detailed site plan showing the proposed layout of the development, access roads, houses, etc.

Proves: A copy of this document is held on the wiki. Its first pages indicate letters on archaeological planning conditions, Great House Farm, Llandough (Ideal Homes).

Does not prove: Only the first two pages were examined. Its full contents, completeness and provenance are unchecked; Nothing beyond the identification should be drawn from it until it is read in full.

File stored in the wayback archive: [EV-0131](#) in the [artifact index](#).
