Proves: DCMS issued an internal-review decision/response under reference IR2026/06711 dated 19 August 2026, possibly stating its review position on its earlier response.

Does not prove: No transcription given, so the review's scope and conclusion are unstated; It is not an adjudication of underlying farm events, and any search outcome should not be generalised beyond that search.

File stored in the wayback archive: [EV-0164](#) in the [artifact index](#).
