[About this page type](#) → [Read the Docs](#)

Proves: Review 3157/2026 upheld the decision that the 2 September correspondence was not clear enough to be treated as a FOIA request. Review 3176/2026 upheld FOI 3156/2026: NPCC held no recorded information on transfer, archiving, retention, disposal or current location of the relevant historical records, and its section 16 advice was reasonable.

Does not prove: Only records the reviewer's conclusions; Not a substitute for source-level search logs or emails, addressed separately in the 9 October 2026 search-disclosure letter. Does not establish where the historical records are or what happened to them.
