Quotation: “Great House Farm” and “Llandough”

Proves: NPCC’s FOI 3065/2026 response of 9 October 2026 lists search terms, five repository/source descriptions and four functions consulted; States no information held under Q4, Q5 or Q6; Notes an information-retrieval email to policing leads supplied as goodwill gesture.

Does not prove: Does not prove a contradiction in NPCC’s answers; Scope ambiguity over ‘search log’, ‘recorded results’ and which earlier responses were disclosed remains unclarified; No verbatim transcription included; Letter does not show contents of earlier email-captured results.
