Catalogue description (verbatim): “Papers relating to Welsh anti-fluoridation campaigners ... Newspaper cuttings, 1981-1982; Correspondence with various anti-fluoridation supporters and campaigners, 1972-1982; Transcript from an Isle of Anglesey Borough Council meeting ...”.

Why it is listed: per Sion Buckler (voice note, 19 Oct 2026): “Mary Williams was doing something to do with a guy with fluoride and they were doing political stuff about government overreach.” If she wrote to the national campaign in 1972–82, this is where a letter would be (inference).

Cuts against: Cardiff and the Vale were never fluoridated; in 1987 the only fluoridated areas in Wales were in Gwynedd and Powys ([Hansard, 23 Mar 1987](#)). No document found on the wiki, the family sites or in correspondence mentions fluoride.

Proves: Nothing yet.

Does not prove: Any link between Mary (Nancy) Williams and a fluoride campaign.
