Dear Sir/Madam

Freedom of Information Act (FOIA) Request – 250628005

Thank you for your request dated 28 June 2025 in which you asked for the following information from the Ministry of Justice (MOJ):

I am writing to request any information you hold regarding the case BP vs. Buckler (1987).

My Member of Parliament for the Vale is Kanishka Narayan.

I am specifically seeking:

1. Letters sent by Alun Michael MP to the Lord Chancellor in 1988 2. Responses from the Lord Chancellor's Department 3. Internal records related to BP Properties vs. Buckler, Great House Farm, or the eviction thereof

I believe I have identified several ways in which the UK Government has acted in a manner that meets its own legal definition of a terrorist organisation. And this does not include my participation in this Regime's crimes (operating from behind a GPMG machine gun, during the Iraq war). To clarify:

I believe my family's farmland and farmhouse was unlawfully stolen (BP vs. Buckler, 1987).

[REDACTED]

If I find evidence the UK Regime now qualifies as a terrorist organisation—at least by its own definition of one—I will call for United Nations and UNICEF intervention, and invoke Article 61 of the Magna Carta.

- I am a certified and experienced military commander and leader.
- I left my military career with honours.
- My source of employment 2022 - 2024 was the Welsh Government.
- As of 2025 I am no longer allegiant or in Oath.
- I remain bona fide (never been charged or arrested for a crime)

Your request has been handled under the FOIA.

The MOJ does not hold any information in the scope of your request. This is because there is no legal or business requirement for MoJ to do so.

A search was conducted regarding correspondence with Alun Michael MP to the Lord Chancellor in 1988 which yielded no results. A search was also conducted for internal records related to BP Properties vs. Buckler, Great House Farm, or the eviction thereof; however, the only record held is for the Court of Appeal case, which is also publicly available-

[Termination of Adverse Possession Through Unilateral Licenses: Insights from BP Properties Ltd v. Buckler \(\[1987\] EWCA Civ 2\): England and Wales Court of Appeal \(Civil Division\) | CaseMine](#)

In line with legislation the Lord Chancellor's Department's 1988 policy records would have been destroyed.

As background, records are reviewed for permanent preservation at 20 years. The year 1988 was reviewed in 2013 which was during the transition period, where the permanent preservation time was reduced from 30 years to 20 years.

Ministerial correspondence on its own has a shorter retention, at present the current retention period is 1 year.

The FOIA does not oblige a public authority to create information to answer a request if the requested information is not held. The duty is to only provide the recorded information held.

Appeal Rights

If you are not satisfied with this response, you have the right to request an internal review by responding in writing to one of the addresses below within 40 working days of the date of this response.
